The Garden Retreat

We have had exciting plans developed for an outdoor eating venue in the middle of a beautiful garden within the Hospital grounds. The garden will be a safe place for hospital patients, visitors and staff to enjoy being outside, with features such as modern dining tables, scented plants, the sound of gurgling water to provide a garden retreat within the Hospital. This would also be an area for visiting friends and families to enjoy and share.

Thank you for helping us to build a garden retreat
